EXPERIENCE

Spring 2013 -
Present

Assistant Office Manager, *Dr. Katelynn Carpenter DMD*

- I am responsible for computer technology and maintenance, as well as keeping files organized, scheduling patients, answering and returning phone calls, ordering dental supplies, checking patients out, collecting money, filing insurance forms and also served as the custodial maintenance.

May 2015 - Present

Audio, Video, Lighting Technology Understudy, *Victory Church*

- At Victory Church, I volunteer in the Audio, Video, and Lighting Ministry. I am responsible for shutting down and starting up the sound equipment as well as keeping the volume in and outside the building at a reasonable level. I assisted in the set-up of the July 2015 Baptism Service which was a huge success for all involved.

EDUCATION

June 2014

High School Diploma, *Troy Senior High School*

Fall 2014 - Present

Bachelor's Degree in Computer Science, *Mansfield University*
